

# Workshop on Salivary Gland Tumors: Lectures and Slide Seminars

*Pordenone, November 16<sup>th</sup> - 17<sup>th</sup>, 2012*

The Department of Pathology at Pordenone General Hospital organizes a two-day meeting on controversial topics and new insights on salivary gland tumors.

The teaching program includes lectures and slide seminars emphasizing diagnostic criteria based on conventional histology, with references to the appropriate ancillary diagnostic techniques. The course program has been specifically outlined for practicing surgical pathologists, and head and neck surgeons.
